

EPS Business Register 2016

The following businesses donated products, services and direct sponsorship dollars to the 2016 Parent's Party. Without their support our fundraiser would not have been such a huge success.

The money raised from this event will go on to benefit every child at EPS so please show them your appreciation by supporting their businesses if you can.

Visit them, shop with them, engage their services. Have a look at their websites, Like & follow their Facebook, Instagram & Twitter pages.

To the following businesses, we thank you!
