

Policy Objective:

To ensure that Elsternwick Primary School staff have an adequate awareness and understanding of their duty of care obligations and responsibilities to provide adequate supervision to students.

To ensure that Elsternwick Primary School staff conduct themselves at all times consistently with these legal obligations and responsibilities.

Policy statement:

Principals and teachers have a special duty of care in relation to their students to take steps that are reasonable in the circumstances to protect students from risks of injury that should reasonably have been foreseen. This duty includes the duty to provide an adequate system of supervision.

The duty is not to prevent injury in all circumstances – it is a duty to take *reasonable* steps to prevent injury which is *known or foreseeable*. The question of what are reasonable steps will depend on the individual circumstances of the case, and consideration of the following factors:

- The probability that the harm would occur if care were not taken
- The likely seriousness of the harm
- The burden of taking precautions to avoid the risk of harm
- The social utility of the activity that creates the risk of harm

The duty may, in some circumstances, extend *outside school hours* and *outside the school premises*. This will depend on whether the relationship between staff and student extends to the individual circumstances, whether the risk was known or foreseeable, and whether there were any reasonable steps that could be taken to prevent the injury from occurring.

The duty is *non-delegable*, meaning that it cannot be assigned to another party.

Supervision Policy:

The principal is responsible for ensuring that there is an adequate system of supervision in place during school hours, before and after school, and on school excursions and camps.

Teachers and other school staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, times and places.

Before School & After School:

Students must be supervised for a minimum of 15 minutes before (8.45am – 9.00am) and after school (3.30pm – 3.45pm). This supervision may include some or all of the following:

- Monitoring of entry or exit points and/or designated pick up and drop off areas
- Yard supervision
- Classroom supervision

At Elsternwick Primary School supervision at the beginning of the school day will commence at 8.45am.

Supervision at the end of the school day will be provided until 3.45pm.

If a parent, guardian and carer (or other authorised person) drops off or otherwise arranges for a student to be on the school premises before supervision commences at the beginning of the day, the principal will, as soon as practicable, follow up with the parent, guardian and carer to

- advise of the supervision arrangements before school, and
- request that the parent, guardian or carer make alternate arrangements.

If a parent, guardian or carer (or other authorised person) has failed to collect the student after school, the next steps may include some or all of the following:

- Attempting to contact the parents, guardians or carers
- Attempting to contact the emergency contacts
- Placing the student in the out of school hours care program (if appropriate)
- Contacting the Victoria Police and/or the Department of Human Services (Child Protection) to arrange for the supervision, care and protection of the student

Classroom:

The classroom teacher has ultimate responsibility for the supervision of all students in their care.

This duty cannot be delegated to external education providers parents or trainee teachers.

In addition, no student should be left unsupervised outside the classroom as a withdrawal consequence for misbehaviour. Withdrawal from the classroom is only to occur in accordance with the school's Student Engagement & Inclusion Policy.

If a teacher needs to leave the classroom unattended at any time during a lesson, he or she should contact the school leadership team for assistance. The teacher should then wait until alternate supervision is being provided prior to leaving the classroom.

Recess and lunch times:

The Principal is responsible for ensuring that students are adequately supervised during recess and lunch. This will usually involve designating areas in the yard, and developing a roster for staff to supervise students in the designated area for the time indicated in the roster.

At Elsternwick Primary School the school leadership team is responsible for preparing and communicating the yard duty roster. At Elsternwick Primary School, the designated yard duty areas are:

AREA 1: Junior School

AREA 2: The oval, both basketball courts, 3/4 portables, gym toilets and sandpit near bike shed.

AREA 3: Circuit the CAB, senior basketball court, sandpit near CAB, flag pole area and senior school play equipment.

Out of Bounds:

- ✓ *Front of school, 3/4 portables including deck and gym along Murphy St.*
- ✓ *South side of CAB (except for Grade 6's) and grade 1/2 portables.*
- ✓ *Brickwood Hall and both car parks.*
- ✓ *Beyond the yellow balance beam in the junior playground.*
- ✓ *Beyond the garden outside the art room*

Teachers who rostered for duty are responsible for remaining in the designated area until the end of the break period, or until replaced a relieving teacher, whichever is applicable. During yard duty, supervising teachers should be guided by the following:

- ✓ If the designated area is large in size, teachers are expected to methodically move around the area rather than remain static in the one position. This increases the ability to appropriately monitor student activity.
- ✓ Be alert and vigilant
- ✓ Intervene if potentially dangerous behaviour is observed in the yard
- ✓ Enforce behaviour standards and implement logical consequences for breaches of safety rules
- ✓ Ensure that students who require first aid assistance receive it as soon as practicable

If the supervising teacher is unable to conduct yard duty at the designated time, he or she should contact the office or school leadership team to ensure that alternative arrangements are made.

If the supervising teacher needs to leave yard duty during the allocated time, he or she should send a message to the office or the school leadership team but should not leave the designated area until the relieving teacher has arrived in the designated area.

If a relieving teacher does not arrive for yard duty, the teacher currently on duty should send a message to the office, but not leave the designated area until a relieving teacher has arrived in the designated area.

Late arrival or early departure:

The Principal will ensure that the school has a procedure in place for the safe collection and drop off of students at school during school hours (eg late arrival or an early departure). This will include a record of the date and time, the reason for the late arrival or early departure, and the person who has authorised the late arrival or early departure.

In relation to early departure from school, the procedure will also include:

- Students will be only permitted to leave the school premises under the supervision of a parent or another person authorised by parents to collect the student
- If the person collecting the student is unknown to school staff, school staff will request photo identification to verify the person's identity

At Elsternwick Primary School, the procedure for LATE ARRIVAL is as follows:

Students arriving to school after 9am must complete and sign into "Sentral" which is located at the front office. A slip is then printed. The parent /guardian must then take their student to their classroom and hand the late arrival slip to the class teacher.

Students who arrive to school after 9am, unaccompanied by a parent or guardian must complete and sign into "Sentral" which is located at the front office. A slip is then printed and taken the late arrival slip to their teacher. The late arrival will be recorded as unexplained.

At Elsternwick Primary School, the procedure for EARLY DEPARTURE is as follows:

Parents who wish to take their child out of school prior to the school day finishing (3.30pm) must complete and sign into "Sentral" which is located at the front office. A slip is then printed. The parent /guardian must then take the early departure slip and hand it to their child's teacher. The child is then allowed to leave the classroom. **Under NO circumstances is the student to be collected first from classroom by the parent /guardian.** You must not arrange for your child to meet you at the front office during class time.

Visitors to Elsternwick Primary School:

The Principal will ensure that there is a procedure to monitor all visitors in the school. As a minimum this procedure must require all visitors arriving and departing the school premises during school hours to use a visitors' book to record their name, their signature, the date and time, and the purpose of the visit.

All visitors to Elsternwick PS, must sign the visitors book and wear a visitors badge.

Visitors (educators) at the school who will be working with the students and the classroom teachers, must all sign the visitors book and state the reason for their visit. They must also produce to the office their working with children certificate which will be photocopied and filed.

Contractors who work at Elsternwick must also sign the visitors book and produce to the office their current certificates if not already sent to EPS. A WWW is included as part of the certificates.

Parent helpers are required to complete the EPS Parent Helpers course prior to volunteering in the school environment. A WWW is not needed if the parent is working in the classroom with their child and the students from that class.

Incursions:

Teachers must continue to supervise their students even whilst a visitor, speaker or instructor is presenting to the class.

Visitors, speakers and instructors should not be responsible for supervising students on the school premises.

Excursions and Camps:

Supervision can be provided by teachers, education support officers, trainee teachers, volunteer parents and carers, campsite staff and specialist instructors.

The *Schools Policy and Advisory Guide* provide minimum requirements for staff-student ratios. However, Principals should determine the appropriate and effective level of supervision for each individual excursion or camp, taking into account the following:

- ✓ Retaining copies of all confidential medical forms and permissions slips for each student who is participating in the excursion or camp.
