ENROLMENT REQUIREMENTS

To complete your child's enrolment, we must meet the following requirements as informed by the Department of Education and Early Childhood:

- Sight your child's birth certificate or passport. A copy will be taken and kept on file with your child's enrolment
- Keep on file a Certificate of Immunisation Status for Primary School Enrolment. This is available from the Australian Childhood Immunisation Register. Phone 1800 653 809 after your child has received all their immunisations to retrieve this. Please note we are **unable** to accept the Immunisation History Statement or details from the yellow-covered Community Health Book.

When filling out the emergency contact numbers please make sure to list people other than the parents/carers of the child. The parent(s) will always be called in the first instance.

If you have any queries regarding the above requirements, please contact the school office on 8534 6100.

Thank you
EPS Administration
